## **SCRAPBOOKING**

### **MINTAY DAY BY DAY INTERACTIVE LAYOUT With Jenny \$52.50 Includes Materials Kit**

Want to get lots of photos on a layout? Want an interesting layout that has interactive elements that can be lifted, pulled or opened to reveal hidden areas? In this month's class, we will create a double layout with space for 30 photos. It has plenty of "openable" areas to showcase all your favourite photos. This month I have used papers from the Day by Day range from Mintay. **Take away kits with full emailed instructions are available.**

## **CARDS**

### **RAINBOW OF COLOUR CARDS With Theresa \$26 Includes Materials Kit**

This month's cards are made using a selection of TIM Holtz Distress Inks blending the colours together to create our Rainbow coloured cards. In class we use a selection of AALL & Create acrylic stamps to create 6 slimline cards, the latest card making craze. The colourful backgrounds for our cards are created with an ink to paper technique that produces these very colourful and unique, individual backgrounds which we then use for our cards

### **MINTAY 'LADY' CARDS With Anita \$40 Includes Materials Kit**

"Using the new range from Mintay "Lady" create a collection of gorgeous cards for those special in your life. Anita loves fussy cutting so you can guarantee there will be plenty on your cards. With beautiful colours of green, soft pinks and caramels you will enjoy creating these in class or via a takeaway kit with instructions emailed to you. These would be perfect to give as a gift to a friend as set or keep them for yourself to pass on to loved ones."

### **WINTER WHIMSY With Annette \$55.50 Includes Materials Kit**

In this class we will be creating beautiful cards in a compendium folder featuring snow-covered trees, fairies and a distant palace all depicted in the Winter Tales collection by Stamperia. Imagine yourself in a wonderland of 'once upon a time' and 'fairy stories' that will delight you as you make this set to be given as a gift for Christmas or any special occasion. Bonus pictorial instruction for two more smaller cards & a layout ...

### **PARCHMENT CRAFT With Patricia \$22 Includes Materials Kit**

A gingerbread house is synonymous with Christmas celebrations. This card uses embossing for the "snow", template embossing for the greeting and lots of colouring. The gingerbread man is made separately, cut around with snips and attached later. It is suitable for beginners.

**Acknowledgement:** The image was found on Pinterest colouring pages. This is my interpretation of the design.

## CREATIVE ARTS

Un-tie the organza ribbon and watch this box unfold into folio album. You'll fall in love with the soft feminine vintage vibe to this NEW collection "Miles Apart" from Maja Design. Finish the box off with some metal legs and a Tim Holtz curio knob (design will vary).

### **MIXED MEDIA WORKSHOP "SPRING – THE PURPOSE OF BEAUTY IS TO BLOOM" With Tracey White \$40 Includes some materials**

Designed for your art journal . Using lots of different textures- make sure you bring a hairdryer! We will be stamping into gel medium, creating branches with a texture and a sandwich bag, using metallic waxes and antiquing for background details Bring along your branch and leaf stencils to play with and your bird print .Some paints will be supplied but you will need to supply your own gold acrylic paint, any brand. Hope to join you all creating in October!

## GUEST TEACHER – SUE SMYTH

### **GOTHIC BOOK 2 "TALES FROM THE CRYPT" \$63 Includes Materials Kit**

I have had many requests to re-teach a Gothic book from years ago, so I decided to revamp it, with a new design using some of the same elements. We will create our spooky book with a creepy skeleton and all his decorations, wings and crown, if you are not into skeletons, we do have a freaky fairy version (limited) There is plenty of room to add bits n pieces and personalize to your taste. We play with texture, metallic paints, waxes and inks. This is an altered book, so does not open to blank pages, all books are provided

### **PANDORAS BOX \$50 Includes Materials Kit**

Turn an ordinary wooden box into an ancient relic keepsake, we play with resins, metallic paints and waxes and some unusual additions to decorate the top of our box with a wonderful medusa face. If you wish there are other options available (lion, wolf) and plenty of room to personalize to your taste. Keep this for yourself or with Christmas coming make something special for friends and family. Note.. metal feet not included but are available to buy

## ON-LINE CLASSES

### **HORTENSIA JUNK JOURNAL With Debra Ricks \$66 Includes Materials Kit**

In this class Debra will teach you how to create a grungy junk journal using Stamperia Hortensia papers. You will learn how to create a cover using chipboard. The class has an optional extra of using Stamperia Hortensia die cuts. Please purchase separately if you wish to add these to your journal.  
Online class via Facebook

### **MODERN TIMES With Debra Ricks \$73 Includes materials Kit**

In this class you will create a round junk journal using Modern Times papers from Ciao Bella. This class will be run online via a private group on Facebook. There are several step-by-step videos to watch as many times as you like so you can complete your journal. Access will be available to the group for at least 6 months from date of purchase, so you have plenty of time to complete your project. I will be available to answer your questions via the Facebook group.

Note: This class contains optional add ons. I have completed my journal with hardware to enhance the look of a film reel. I used Tim Holtz Washer Heads to do this. If you wish to use these, please enquire separately at Bella Paperie. I also made a round box to hold the journal that mimics the look of a film canister. Instructions on how to complete this are included in the class, along with a list of required items.
